  Lord Mother Sr. Sec. Public School, Bakewar (Etawah)
- High school   2017-18
  Lord Mother Sr. Sec. Public School, Bakewar (Etawah)

PERSONAL PROJECTS

1. **Food Delivery App** using React.js
   Description:
   - Designed and implemented responsive UI components using React.js, ensuring compatibility and consistent user experience across desktop and mobile devices
   - App allows user to filter food items, also created a cart where user can add items to cart and remove them from cart.
   - Utilized React's Context API to manage global state across components, reducing prop drilling and improving code maintainability.

2. **E-Commerce Website** using HTML , CSS , Bootstrap ,JavaScript
   Description:
   - It is a Virtual Space where you can showcase the products
   - Customer can Add the product to the cart and remove from the cart
   - On adding and removing the product, it will increase and decrease the final amount.

3. **Currency Convertor** using HTML, CSS, JavaScript
   Description:
   - Designed an user-friendly interface allowing users to easily input the desired amount and select the currencies they wish to convert between.
   - Integrated a currency exchange rate API into the website to fetch the real time conversion rates.

4. **Tic Tac Toe Game** using HTML, CSS, JavaScript
   Description:
   - Developed a fully functional Tic Tac Toe Game in which there will be two users with alternate turn to play the game.
   - Implemented robust game logic to handle player moves, determine game outcomes (win, lose, draw), and track game state.

TECHNICAL SKILLS

Language: C/C++, Python, JavaScript
Development: HTML, CSS, JavaScript, React.js, Node.js
Web Dev Tools: VS code
Database: MySQL
Relevant Coursework: Operating System, Database Management System, Computer Network, Software Engineering, Object Oriented Programming
Area of Interest: Web Development

PROFILE SUMMARY:

Motivated and innovative Frontend Developer with a strong foundation in HTML, CSS, and JavaScript. Ability to create responsive and user-friendly web designs. Eager to bring my technical expertise and creative problem-solving skills to a dynamic team
